Subject: 404 Assumption

Hi David – I wanted to let you know that I spoke with Trey and directed the ORC attorneys currently negotiating with FDEP to include the ESA “early off ramp” language for the MOU as described in your email. They’ve been in Tallahassee since Tuesday and working on the MOU with FDEP. I’ll let you know how it works out as soon as my attorneys report back to me.

There is another issue I want to raise for us to think about.
